

Nissan Forklift

Nissan Forklift Training Windsor - Nissan takes immense pride in reaching complete customer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with solid production principals, Nissan lift trucks supply some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the business has four independent production facilities that allow them to persistently adapt to their consumers continually evolving wishes by providing a range of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fabrication, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and procedures that lessen their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients command while being an environmentally aware organization.

Nissan is confident that they will be able to address any consumer queries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
